

Notice of Public Hearing of the Planning Commission

Description of Proposal: The Planning Commission will make a recommendation to the City Council on the adoption of the City of Shoreline Hazard Mitigation Plan. The plan identifies and recommends projects and programs that when implemented, would eliminate, minimize, or otherwise mitigate the vulnerability of the people, property, environmental resources, and economic vitality of the community to the impacts of future disasters. These identified projects and programs are termed “mitigation initiatives” and constitute the principal component of the plan. The purpose of the plan is to guide and coordinate the efforts of the organizations and individuals participating as they seek funding, authority, or other resources necessary for implementation of mitigation initiatives.

This may be your only opportunity to submit written comments. Written comments must be received at the address listed below before **5:00 p.m. July 9, 2014**.
